## TRIA AMERICAS PRODUCTS MANUFACTURING UPDATE

Product Change Notification PCN260008

---

### Products Affected:

AES-XRF16-ZU49-G (Including Custom Variants)

**Subject:** PCB Supplier Expansion

**Reason for Change:** Due to extended lead times it is necessary for us to expand our supplier base to improve delivery performance to our customers.

**Change Description:** TTM Technologies has been added to the AVL as an approved supplier for the AES-XRF16-ZU49-G PCB along with the original supplier Summit. We have verified that there is no difference in functionality or performance between the 2 suppliers.

**Product Identification:** The TTM PCBs are identifiable by their company logo presented in the silk screen on the PCB as seen in the picture below

If you cannot accept this substitution your local Avnet sales team can discuss using a custom part number to insure you receive boards with your approved BOM.

**Further Questions?** Contact [customize@tria-technologies.com](mailto:customize@tria-technologies.com) or your local Avnet Sales office.

9830 S. 51st. St, Suite A-126, Phoenix, AZ 85044
